O CANADA
 Dutch-born **Stanley Carroll** has created a line of "Canadian-spirited" 3-D T-shirts this season, with scenic images inspired by the Alberta landscape and Canadian icons like Pierre Trudeau (his tie pops off the shirt). He also has beautifully tailored dresses and skirts for spring, available at his eponymous design studio and store (from \$120, at 8908 99 St., Suite 201, 780-604-9247, stanleycarroll.com).
